### SECTION XIV. GENERAL INFORMATION

- A. The County Manager, or his designee, is authorized to transfer appropriations between line item expenditures within a departmental appropriation and fund without limitation and without a report being required. The County Manager may transfer amounts between departmental appropriations within the same fund and shall make a report of transfers exceeding \$50,000 to the Board of Commissioners at the next regularly scheduled meeting of the Board following the transfer.
- **B.** The County Manager is authorized to transfer Contingency appropriations, subject to a limitation of \$5,000 per item, and shall report such transfers to the Board of Commissioners at the next regularly scheduled meeting of the Board following the transfer.

<sup>\*</sup> Volumetric rates for residential 3/4" meters commencing with bills rendered after July 1, 2003, through October 25, 2003, shall be \$2.10/gallon for the first 3,000 gallons, \$2.45/gallon for the next 7,000 gallons and \$3.45/gallon for all gallons greater than 10.000.

- C. The County Manager is authorized to transfer departmental appropriations for salary compensation related to pay plan adjustments in an aggregate amount not to exceed three percent (3%) and insurance to the various benefiting departmental appropriations.
- D. The County Manager shall not create any full time or regular part time positions without the consent and approval of the Board of Commissioners; however, he shall approve all part-time or seasonal employment and shall approve all hiring of regular and regular part-time employees.
- E. The County Manager is authorized to establish fees within the various departments and agencies for miscellaneous services and items such as copies, maps, books, etc., according to guidelines that may be administratively determined or that may be established by the Board of County Commissioners, in accordance with applicable law. The County Manager, or his designee, is authorized to establish collections and receipts requirements in conformance with G.S. 159-32, including the deferral of daily
- F. The County Manager is authorized to increase appropriations in Sections I, VI, VII, VIII and IX for carryovers representing contract balances, purchase order encumbrances and designations for special projects and purposes as reflected in the Comprehensive Annual Financial Report. The County Manager shall make a report of the carryover departmental appropriations to the Board of Commissioners.
- G. The County Manager may approve contracts, as lessor or lessee of real property, which are of a duration of one year or less and are within budgeted departmental appropriations.

The County Manager may approve and execute grant agreements and provide for their necessary appropriations, for which preapplications have been authorized by the Board of County Commissioners, to or from public and nonprofit organizations, unless a grantor organization requires execution by the Board of Commissioners.

- H. Proposed projects where the estimated professional fee is in an amount less than \$30,000 for architectural, engineering and surveying services are hereby exempted from the requirements of Article 3D of Chapter 143 of the General Statutes.
- The Classification and Pay Plan ("Plan") is amended to incorporate all personnel actions such as reclassifications and pay plan
  modifications as deemed appropriate by the County Manager with funding of the Plan being included in the various departmental
  appropriations. The County Manager is hereby authorized to maintain the Plan in conformance with the Union County Personnel
  Resolution.
- J. The County Manager is authorized to approve and execute insurance contracts for health, dental, life, disability, casualty, property, liability, and other insurance or performance bonds, that are similar in type, amount, and scope of coverage as those historically maintained by Union County. The County Manager may also approve and execute insurance contracts that modify the type, amount, and scope of insurance coverage historically maintained by the County to the extent the County Manager determines that such modification is necessary to adequately protect Union County's employees, property, and other assets, commensurate with industry standards. Any monetary limitations on the County Manager's authority to approve contracts shall be deemed inapplicable to these agreements.
- K. Elected officials, serving in the capacity as a Union County Commissioner at July 1, 2003 and thereafter, and having at least eight years of total service, said service having been earned at any time as a Union County Commissioner, shall be eligible for employer provided group health insurance to age 65 and Medicare Supplement Plan for the remainder of the individual's life.
- L. The final paragraph provisions contained in Section 45-10 (IV) (C) of the Union County Accounting Procedures Manual is amended in its entirety and restated to read as follows: "Employees must obtain actual meal receipts in order to be reimbursed for any meal. If there is no original receipt, no reimbursement will be paid."

## SECTION XV. SEVERABILITY

A. If any clause, phrase, sentence, paragraph, appropriation, or section of this Ordinance shall be held invalid, it shall not affect the validity of this Ordinance or the remaining phrases, clauses, sentences, paragraphs, appropriations, or sections.

This Budget Ordinance is adopted on June 23, 2003 and is to become effective July 1, 2003.
